

# It's all about cattle . . .

Cattle give us other products besides beef and dairy. Manufacturers use other parts of cattle to produce a variety of products we use everyday. Can you pick out the by-products from those listed below?

lipstick	gummy bears	baseballs	tires	soap
shampoo	piano keys	glue	violin strings	crayons
paint	yogurt	footballs	gloves	ice cream
clothing	shoes	furniture	Jell-O	medicine

*Surprise! All of the items are made from parts of cattle.*
